Been very busy attending virtual meetings. Last week Region II and Region III had a virtual social with about 40 people in attendance. Was unable to attend fall board meeting in person but did so virtually; had about 250 in attendance. By-law changes passed; state affiliation and who can serve as a delegate. 2022 bid for annual meeting in Louisville Kentucky was approved. Only 10 weeks left in 2020, it's been a challenging year. "The adventure continues", think about how to make things better. We will overcome.
