## Caught Buzzin'

### Rod Hollenstine #46703

Illinois President Robbie writes that Rod became active when she ran for Senate President this year and has been an active supporter all year. He has traveled to Kentucky and Indiana state meetings, the Region V Spring Fling year end meeting, and always volunteers to help in any manner including at the Reg V meeting he helped set up the silent auction items for the regional foundation auction. When the Illinois Jaycees decided not to meet, he offered to run our fall meeting, made arrangements with the hotel and planned the event which was canceled by the Governor two weeks before. When it looked like we needed to put together a Winter meeting, he had already done the legwork and the meeting ran without a hitch and made a profit for the IL JCI Senate. Moreover, he said we needed to be working on membership this last quarter to make sure the state finished strong and helped submit several people for the IL JCI Senate Loss Senator program and is currently helping with the IL JCI Silent Auction.

### Cathy Dempsey #67625

Connecticut Senator Cathy Dempsey was extremely careful at the height of the pandemic, living in isolation with her mother and did an amazing job as Scholarship Chairman coordinating the judging from home. However, once she and her mother were vaccinated, Cathy took off like a rocket back into the JCI world! She is a big supporter of Connecticut State President Michele Tarantino, freely sharing her wealth of experience through email and thoughtful suggestions. Cathy packed up her rolling crate and arrived at the Region I Caucus with sign in sheets, Mentor's sign in, decorations, pens and supplies, 50/50 raffle tickets and bumble bee headbands! Cathy brought a sound system because the venue did not have one and she even spent many days creating bee pins to give to everyone at the meeting. The meeting would not have gone as smoothly without her as she is truly an amazing and bee-eautiful person!

### **Jess Kling #78271**

Maryland JCI Senate Vice President Jess Kling #78271 has been a busy bee; she chaired 2 trivia nights for the Maryland Senate, attended the JCI USA Year End Meeting in Billings, MT and assisted with the Dixie Institute's hospitality room. She provided guidance to the Jaycees, to the 2021 TOYA program manager, and NVP and she was awarded a 2020 Presidential Medal for all of her assistance to the Jaycees. While in Montana for the JCI USA Year End meeting she met with many Senators from Montana, PA, North Carolina, NY, NJ, WV, Hawaii, Illinois and Wyoming. In addition, Jess secured a location for the Maryland JCI Senate May meeting, setting up the lunch and mini-golf outing. Keep buzzin- Jess!

### **James Rupard #41615**

As NC JCI Chaplain, James Rupard goes the extra mile sending out his Monday Meditation emails, sympathy & celebration news, and sending out the birthday list monthly. Members have commented how well informed they have felt this year. This past month. James sent numerous cards to chapter members to let them know we are thinking about them 'just because'. One member was recently in a bad motorcycle accident and James sent daily updates in which the NC Senate responded wholeheartedly. He also asked for everyone to send a card of encouragement to a mother of a Senator, "Mama Fluff" who had to go into the hospital and then a rehabilitation facility, he then rallied the Senate so she would receive 50 cards of encouragement. In addition, James attended the NC Jaycee Spring Convention because he felt it was important to introduce himself to the Jaycee state board, meet chapter presidents and offer words of encouragement as the Senate Chaplain. Through his caring nature, James is a living example of a great Senator and inspires his fellow Senators on how to continue to be involved in both the Senate.

### **Brandon Schumacher #76086**

Cristian Ziliberberg, Immediate Past President of the JCI New York writes that Senator Brandon Schumacher, the adviser of JCI New York City is one of the most amazing and dedicated Senators he has ever met. Even at the recent year-end JCI USA meeting in

Billings, MT, Cristian noted that despite having an impact at the State, National, and International level, Senator Brandon didn't hold any official Jaycee of-age position. However, his impact was felt as a still active Jaycee aged Senator. He states that in the new digital-age generation of Jaycees who are more action and result-oriented rather than procedure-oriented that Brandon played a crucial role in the NYC Jaycees receiving 8 National awards and 32 State awards. As Cristian further notes – “Brandon is the reason that all of the chapter members strive and thrive on wanting to do more for our communities and become positive role models for our youth.

### ***Thought of the Day:***

“To be individual, my friends, to be different from others, is the only way to become distinguished from the common herd. Let us be glad therefore, that we differ from one another in form and in disposition. Variety is the spice of life and we are various enough to enjoy one another’s society; so let us be content.”

- from *The Lost Princess of Oz*, 1917, by L. Frank Baum

### ***History of the Day:***

1918 - U.S. airmail began service between Washington, D.C. , Philadelphia and New York.

1942 - President Franklin D. Roosevelt signed a measure creating the Women’s Army Auxiliary Corps, whose members came to be known as WACs. Wartime gasoline rationing went into effect in 17 Eastern states, limiting sales to three gallons a week for non-essential vehicles.
